For immediate release

People's Choice awards voting lines open

Voting lines are now open for the public to choose the winners of two People's Choice awards in the 2021 Mareeba Chamber of Commerce Business Excellence Awards.

While a judging panel adjudicates the six business excellence award categories, the public gets to vote the winners of the Excellence in Customer Service and Community Group or Event of the Year.

Voting lines will remain open until 30 September 2021 and Chamber president Joe Moro encouraged the community to vote.

"The customer service award recognises outstanding individuals that provide excellent customer service," Mr Moro said.

"Mareeba businesses pride themselves on going over and above for customers and I'm pleased to see there are seven nominees.

"The Community Event or Group of the Year recognises the outstanding contribution made by a community group or sporting club or an event of the year that attracts tourists to the community."

To cast your vote, head to <https://www.mareebachamber.com.au/awards/vote-online>

The winners of the People's Choice awards and other business excellence categories will be announced at the awards presentation night on 30 October 2021.
