

# Chatting safety with **SHANE WEBCKE** in Mareeba

*Join football legend  
and Queensland Safety  
Ambassador Shane Webcke  
for a free breakfast and  
safety information session.*

**Hosted by the Electrical Safety  
Office and Mareeba Chamber of  
Commerce, the event is a chance  
to learn about:**

- Electrical safety in your home and business
- The importance of safety switches on all circuits
- What to do if you experience an electric shock or tingle
- Using licensed electricians
- Working near overhead powerlines and underground electric cables; and
- Risks when purchasing electrical equipment.

You'll also hear from Safety Advocate Dan Kennedy, who lost his son Dale when he was electrocuted while working in the ceiling space of a Cairns school. Dale was only 20 years old and close to finishing his electrical apprenticeship.
